Miss Alice Herbert Webster, daughter of Lieutenant-Commander and Mrs. Charles Webster, of Norfolk, arrived in Richmond Wednesday to spend ten days as the guest of Miss Katharine Hamilton Cabell at the home of her parents, Mr. and Mrs. J. Alton Cabell. Miss Webster and Miss Cabell were among the Richmond girls attending the regimental ball at Camp Lee Wednesday evening.

Mr. and Mrs. J. Alton Cabell have taken 222 West Grace Street for the winter months, and have closed their country home, "Point-of-Fork."

Carroll-Harrison.
Palms and white lilies decorated the home of Mr. and Mrs. Nathaniel Walter Hubbard, 1130 West Avenue, yesterday at high noon for the marriage of their sister, Miss Dorothy Pleasant Harrison, daughter of Mrs. William Henry Harrison, to Lieutenant Charles Rivers Carroll, son of Mr. and Mrs. Edward Carroll, Jr. The ceremony was performed by Rev. C. Braxton Bryan, rector of Grace Episcopal church, Petersburg, and Mrs. Frederick Mullenberg, of Denver, Col., sang Schumann's "Dedication" just before the entrance of the bride party.

The bride, who was given in marriage by her brother, Nathaniel Cole Harrison, of Atlanta, Ga., wore a smart traveling suit of brown silvertone, with hat and furs to match, and a corsage bouquet of gardenias and orchids. She was unattended. Lieutenant Carroll had as his best man Captain Pierre Drewsen, of New York.

After a wedding breakfast, Lieutenant and Mrs. Carroll left for New York and the former's home at Nyack, on the Hudson, where they will spend ten days. Lieutenant Carroll is stationed at Camp Wadsworth, near Spartanburg, S. C. Among the guests from a distance attending the wedding were: Mr. and Mrs. Edward Carroll, Jr., of Nyack, N. Y.; Mr. and Mrs. Nathaniel C. Harrison, of Atlanta, Ga.; Mr. and Mrs. William Henry Harrison, Jr., of Petersburg; Mr. and Mrs. George W. Harrison, of Petersburg; Mrs. Fred Mullenberg, of Denver, Col.; Lieutenant and Mrs. John Hollister, of Cincinnati, Ohio; Mr. and Mrs. John Goodenow Tyler, of Norfolk; Mrs. Andrew Townes, of Petersburg; Mrs. Benjamin T. Kinsey, of Petersburg.

Quiet Wedding.
A quiet wedding was celebrated Saturday evening, December 29, at 8 o'clock at the home of the bride, 1610 Park Avenue, when Miss Frances Cary Talcott, daughter of Mrs. George Russell Talcott, was married to Dr. Elbert Edward Wood, of City Point, formerly of Knoxville, Tenn. Only the two immediate families were present, and the ceremony was performed by Rev. John J. Gray, D. D., rector of Holy Trinity Episcopal church, Dr. and Mrs. Wood left at once for a honeymoon in Bermuda, and later in the winter will be at home at City Point.

Invitations have been issued by the Collegiate School for Girls in this city for the ceremonies incident to the dedication of its building, which will be held on Monday, January 7, at 2:30 o'clock at 1613 Monument Avenue. Guests are invited to meet Dr. Virginia C. Giffersleeve, dean of Barnard College, New York City, who is the guest of honor on the occasion.

Mr. and Mrs. J. F. Palmer were hosts at an informal dinner Monday evening in honor of Dr. and Mrs. Wood. May Palmer, and Miss Mary Dabner, it was a "watch-night" party, and about thirty girls and boys were invited to watch the old year out and the new year in. The party was held at the dancing, and decorations were attractively carried out in red flowers and Christmas greens.

A pretty Christmas of this week was the luncheon given Tuesday by Miss Annie Lubner in honor of Mr. and Mrs. Al Light, of Philadelphia. The tables were prettily arranged, and covered with twelve. Mr. and Mrs. Light are being much entertained during their stay in Richmond.

SATURDAY NIGHT DANCE AT ARMY AND NAVY CLUB

Prominent Women to Act as Chaperons at Entertainment for Visiting Men in Uniform.

Preparations were started yesterday for the third of a series of Saturday night dances at the Army and Navy Club, Seventh and Franklin Streets, for the entertainment of soldiers, sailors and marines, who are in the city on leaves of absence. To-morrow night's dance promises to be one of the gayest and best attended yet held.

Under a careful chaperone, provided by the executive committee of the Richmond Commission on Training Camp Activities, which is headed by Rev. H. D. C. MacLachlan, D. D., this social feature of the commission's work is growing steadily in popularity. Admission to the dances is by card only, and the chaperons escort groups of girls who wish to take part in the dancing to and from the club. Many prominent women displayed a keen interest in promoting the success of the war camp community dances and volunteered to serve as the committee of chaperons. As a result of this co-operation there are now more than 100 chaperons whom the commission is at liberty to call on for assistance. Different groups of chaperons will be on duty that capacity on succeeding Saturday nights.

"It is utterly useless to talk about putting forth efforts to eliminate certain disagreeable phases of city life if nothing is done toward offering men in Uncle Sam's service healthful and sane amusement during their leisure hours," said T. S. Settle, field secretary for the Southeastern district of the training camp work. "That is where we come in. The men who come to Richmond from Camp Lee and other places for a brief stay as State supervisors of schools in Virginia from 1910 to 1913. Dancing is not the only diversion provided at the Saturday night entertainments. Patriotic songs and tunes that have attained popularity at the army camps are sung by every one present when dancing is not in progress. Instrumental music also serves to entertain the guests. Refreshments are served by a committee of women who are anxious to make the entertainments a huge success.

Having sleeping accommodations for 300 men, the club is rapidly becoming the headquarters of many army and navy week-end visitors. Much interest has been aroused among the patrons of the club over the first war song service, which will be held in the auditorium of the John Marshall High School Sunday afternoon at 3 o'clock. Every man in the service who is in the city Sunday, as well as the Richmond public, will be invited to attend. A chorus of 200 will sing, and instrumental music will be furnished by an orchestra of forty musicians.

The regular monthly meeting of the board of managers for the Richmond Exchange for Women's Work will be held to-day at 12 noon, at the exchange. Mrs. John G. Hayes will address the meeting on the subject of "Thrifty Stamps."

The Woman's Auxiliary of St. Paul's Church will be held this morning in the parish-house at 12:30 o'clock, instead of at noon.

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treats scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with Dr. Edwards' Olive Tablets.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system.

If you have a pale face, yellow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women as well as men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep in the pink of condition. 10c and 25c per box. All druggists.

WILL TAKE OFF EIGHT TRAINS

Norfolk and Western Announces Policy of Passenger Service Cancellation.

Under direction of Federal Railway Director McAdoo, the Norfolk and Western Railway Company on January 6, 1918, will discontinue eight of its passenger trains: Nos. 7 and 8, between Lynchburg and Petersburg; Nos. 23 and 30, between Crewe and Norfolk; Nos. 35 and 36, between Winston-Salem and Roanoke, and Nos. 17 and 18, between Lynchburg and Radford.

President N. D. Maher, of the railway company, wrote the State Corporation Commission that since the conference between their attorney, Lucian H. Cooke, and Chairman C. B. Garrett, of the commission, in reference to taking trains off the road, freight congestion and the serious situation had become so acute that the company had orders from Federal Railway Director McAdoo to annul or take off passenger trains when necessary to relieve freight congestion and move freight traffic, especially food, coal and other important things.

President Maher then added that they had decided in obedience to McAdoo's orders to discontinue the trains mentioned. The State Corporation Commission wired President Maher that it was in full accord with the policy of the Federal government and wished the railway company to conform to the orders of Director-General McAdoo in regard to the discontinuance of the said trains. Therefore, the commission waived the usual proceedings of requiring notice and giving the public an opportunity to be heard. This action of the commission shifts the responsibility of actually having direct orders from McAdoo to take off the trains in question.

INSPECT GAYTON MINES

State Mine Inspector to Look Over the Property Preliminary to Reopening.

State Mine Inspector A. G. Lucas, of the Department of Labor, will be in Henrico County next week to inspect the Gayton Mines for Labor Commissioner Doherty preliminary to the proposed opening of the mines for the purpose of supplying this city with coal. According to the Labor Commissioner, there seems to be a probability that the mines will be reopened in the near future.

These mines have always been a valuable piece of property, and a producer of good profits, it was said. But due to the management of other persons, there were eighty-five deaths there in 1912, thirty-five being killed in one explosion. The mines have not been run for more than four years. The part to be played by Commissioner Doherty and Inspector Lucas is only to see that they are not reopened in improper condition.

SUFFRAGISTS BUY MANY WAR SAVINGS STAMPS

Mrs. Kate Pleasant Minor Explains Thrift Movement at Annual Meeting of Local League.

Following an able address on the war saving stamps, delivered by Mrs. Kate Pleasant Minor before the annual meeting of the Equal Suffrage League of Richmond yesterday afternoon, \$170 worth of stamps and certificates were sold at the meeting by Mrs. Milton Marcuse, who has been appointed by Mrs. B. E. Valentine, chairman of the war saving stamps for the suffrage league.

Reports of the work of the preceding year, made by officers of the league and by chairman of various committees comprised the chief business of the meeting. Each report read brought out most forcefully the dominant note of war service. A general outline of the activities of the league made by the executive secretary, and a resume of the speakers of the year and their subjects, served only to emphasize further this war-time program.

"As you can judge from the trend of these reports, the world war has changed all work for us as an organization. Every poster on the walls about us indicates some form of war service. We have done much—we will do more, for we have only just begun; we do not know what lies ahead of us," said Mrs. B. E. Valentine, president of the league, in summing up the various reports. "Make it your first business to report to every demand of the government. Why? Because we must win. Why? Because this war stands for every ideal for which we as a nation stand; the ideal democracy which makes for the freedom of all peoples. While we are bending every effort to the winning of democracy abroad, let us not forget that we, as suffragists, are pledged to win democracy at home. We must, therefore, do double duty, remembering that both forms of service lead to the same goal—the establishment of a world democracy."

Officers of the league and chairman of committees making their annual reports were: Miss Nora Houston, recording secretary; Mrs. Grace H. Smith, treasurer; Mrs. Edith Clark Cowles, executive and press secretary; Mrs. Horace Wellford Jones, chairman agriculture committee; Mrs. W. W. Foster, chairman Red Cross auxiliary; Mrs. P. Conquest, chairman of the sick soldiers at Camp Lee; Miss Julia Moore, knitting machine; Miss Adele Clark, legislative chairman; Mrs. F. L. Johnson, ward chairman; Mrs. W. P. Adkins, chairman of the Woman Citizen.

Mrs. John G. Munce, chairman of the elections committee, reported the plans open for the nomination of officers and members of the executive council for the coming year. Voting at the primary continued through the meeting—those candidates receiving the highest number of votes to be voted upon at the election on January 10.

Mrs. D. R. Creevy, chairman of the hospitality committee, was assisted at the tea table by Miss Edna Turpin and Mrs. Allen Belvin.

OMIT ANNUAL BANQUET

Alumni of John Marshall High School Cut Out Celebration as War Measure

Since the cold weather bids fair to continue indefinitely, furnace troubles and water pipe ailments form the chief subject of conversation where two or more people congregate together, but in the city schools these matters are all in the day's work, and classes go merrily on whether the heat soars or remains obstinately dormant in the furnace room.

As a war measure, the members of the Alumni Association of John Marshall High School have decided to forego the joys and gastronomic satisfaction of their annual banquet this year. Banqueting to any great extent is "not being done" in this country just now, and the graduates of the senior high school of Richmond have set a notable example along this line.

On Friday of next week—which is January 11—the Spanish Society of John Marshall High School will give a playlet in the auditorium. Besides the play, there will be moving pictures depicting South American scenes and Spanish dances in costume. Examinations will begin January 24, and the new session will begin February 4. With the reopening of the city schools following the Christmas holidays, the "vacation school" has been brought to a close at John Marshall High School. This school was attended by forty-three students, which included not only those who had been excused to accept positions in the stores and post-office during the Christmas rush, but also others who were glad to take advantage of the extra classes to better prepare themselves for work after Christmas.

NEGRO GETS EIGHT MONTHS FOR ATTACKING WHITE GIRL

(Special to The Times-Dispatch.) WINCHESTER, VA., January 3.—Clayton Peterson, a powerful negro coal-cart driver, of low mentality, was this afternoon sentenced to eight months at hard labor for attacking Mrs. Edith Nails, an attractive young mill operative, while on her way to work early this morning.

Peterson grabbed her with both hands around her body and held her in a vise-like grip. He attempted to drag her into a nearby alley, when she struggled with her assailant, but seeing some one approaching the man fled. Peterson first denied his guilt, but later confessed. Other young women declared he was the same man who recently attacked them while on their way to work, but shrinking from notoriety they had made no complaint to police.

Citizens Along Route of Ashland Line Planning Its Reorganization

To the end that service on the Richmond and Chesapeake Bay Railway may be restored between this city and Ashland, citizens along the route of the electric line are ready to subscribe \$200,000 stock toward the reorganization of the line, according to E. T. Long, chairman of the special committee of the Greenwood Park Citizens' Association. Other members of this committee are Dr. A. J. Winfree, J. A. Schermerhorn, A. S. Fleet and Ralph Harris.

Mr. Long said that his committee would confer with similar bodies from the Hermitage Country Club, the Brook Hill Citizens' Association, Westbrook Sanatorium, and the Suburban Club. Representatives of these organizations will later wait upon officers of the Virginia Railway and Power Company in an effort to get that company to take over the operation of the line.
